

REVISED \$1000 BANKNOTE

1. Large numerals

2. **Watermark**

When the banknote is held up to the light, an image of a macaw and the map of Guyana can be seen.

3. **Intaglio printing**

The numerals at the lower part of the note should feel raised when touched.

4. **See-through feature**

When the banknote is held up to the light, a complete design can be seen as the image on the front lines up perfectly with the image on the back.

5. New colours have been introduced to the front and reverse of the banknote.

6. New wide security thread

The complete thread is visible when held up to the light and the legend “GUYANA 1000” can be seen. The thread on the \$1000 changes from red to green as the note is tilted.

7. Silver Hologram

A new silver hologram on the front of \$1000 denomination in the shape of the Bank of Guyana’s crest. As the hologram is tilted many small images of “BOG” and “1000” can be seen as well as colour changes.
