

Revised \$1000 Bank Note

The Bank of Guyana will be issuing the new bank notes shown below during the coming months. However the current notes will remain legal tender and will be used simultaneously with the new notes until they return to the Bank of Guyana and are then taken out of circulation.

For your own security we would like to suggest you keep this flyer, and encourage you and your family members to familiarise yourselves with the new notes and their security features. For more information please visit our website at:
